One-day workshops with

## FLORENCE LECLERC

Saturday, October 13, 2018

Location TBA, Victoria, BC

Florence discovered Middle Eastern Dance while in college. After only one year of classes, Denise and Ahmed Enan asked her to join their folkloric dance company. Already having a love of performing, Florence jumped at the chance, and soon after decided that she wanted to make dancing her career path. Since then she has won multiple awards in oriental dance competitions as well as choreographing for several projects and companies.

Along with dramatic art, Florence has studied contemporary dance and ballet in college, supplementing her knowledge by also taking classes in Latin, ballroom and flamenco dance.

Florence is now a travelling international oriental dance artist who is highly endorsed by our beloved Aziza of Portland/Montreal.
